

# October is **DYSLEXIA AWARENESS** Month

## What is Dyslexia?

-  Learning difficulty characterized by trouble decoding (sounding out) words.
-  Difficult word recognition and spelling.
-  Significant difficulty with fluency, comprehension, rapid naming, vocabulary, and written language.
-  High risk for falling behind peers in academics.
-  The most common reason smart kids struggle to read.

### Dyslexia Overview & Simulation Program

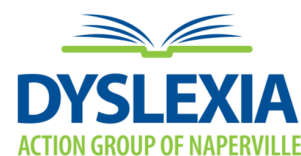

In recognition of Dyslexia Awareness Month, Everyone Reading Illinois, and the Dyslexia Action Group of Naperville will present an overview of dyslexia: what it is, available support, and remediation.

The program will include a dyslexia simulation for those curious about the frustration that those who have been diagnosed with dyslexia struggle with on an everyday basis.

When: October 12, 7:00 PM

Where: 95th Street Library Meeting Room A

RSVP: [info@dagnaperville.com](mailto:info@dagnaperville.com)

Dyslexia Action Group of Naperville hosts programs for parents and educators of students with dyslexia. To find out about upcoming events:
